# Please follow bicycling riding rules

## (Five Rules for Safe Bicycling)

### 1. Bicycles must ride on the road.

Bicycles may ride on sidewalks if:

- There are sign indicating bikes permissible
- A child under 13, adult 70 and over, or person with disabilities is riding.
- The road is inaccessible, e.g. during construction

### 2. Bicycles must ride on the left side of the road

### 3. Pedestrians have priority on sidewalk

- When riding on sidewalks, you must ride slowly and stay to the side of the road

### 4. You must follow safety rules

- You must not ride after having any alcohol
- In principle, two adults must not ride on the same bike
- You must not ride side-by-side with another bike
- You must use a light at night
- You must follow traffic lights
- You must stop at crosswalks to check for safe crossing

### 5. Children should wear helmets
